W. E. Hugent Esq.,

10 Adelaide Street, East

Toronto

Dear Mr Hugent:

I should have been very glad to attend the "Canadian Night" held by the Beaches Lodge, A.F. & A.M., on October 10th, but unfortunately on that night there is a meeting of the Senate of the University, at which I must preside. Two Friday nights in each month I have engagements that make it necessary for me to refuse outside requests for those evenings.

With regret that my answer should be such, I am

Yours sincerely,

President.
